What is a Live-In?

The Live-In is a retreat weekend very different from the traditional type that emphasizes silence and private prayer. The whole purpose of the Live-In is to lead those who come to discover a deeper personal relationship with Jesus Christ. Most people who attend a Live-In seem to experience a new peace and deeper faith. Many claim that after their Live-In, they received a whole new outlook on Christian Faith and their life. They found a new meaning to their life and a fresh desire to pray and read scripture.

The program involves a series of presentations and slides on the basis of Christian life. There are a variety of speakers from many walks of life. The entire program is uplifting, informative and very enjoyable. It has a great variety of activities!

PLEASE NOTE: The Live-In is a Catholic founded and based retreat (it includes the celebration of Reconciliation when available, and Mass) which welcomes people from every background.
